Dear Attorney General , In January, the disappearance of Prageeth Eknaligoda was the seventh time. There is reason to fear that he has been a victim of disappearance because of his journalistic work. It worries me very much that in Sri Lanka the antiterror laws and the emergency regulations are used again and again to silence critical media. Journalists are harassed, kidnapped, assaulted or even killed by members of the security forces as well as members of armed groups. I urge you to start a comprehensive and impartial investigation into the disappearance of Prageeth Eknaligoda. I also appeal to you to ensure that the family of Prageeth Eknaligoda is protected from harassment and reprisals.Yours sincerely,
