Governor of Lagos State

Mr. Akinwunmi Ambode

Governor's Office State Government Secretariat

Alausa, Ikeja, Lagos State NIGERIA

Your Excellency,

Hundreds of residents of Badia east were on 23 February rendered homeless when the lagos state authorities demolished al least 266 homes in the community. It concerns me greatly that the affected people were not genuinely consulted. In May 2016, the badia East evictees filed a case at the Federal High Court in Lagos to challenge the violations of their fundamental human rights to human dignity, fair hearing, liberty, proberty and privacy guaranteed under section 34,35,36,43 and 46 of the Constitution of the Federal republic of Nigeria. I would therefore like to ask you to ensure that all the residents who were evicted from theirhomes in February 2013 receive compensation and alternative housing.Please also commit publicly to stopping forced evictions in Lagos state. I also urge you to establish a Lagos State House of Assembly bill explicitly prohibiting forced evictions.

Yours sincerely,
